“The kingdom of heaven is like a **mustard seed**, which a man took and planted in his field. Though it is the smallest of all your seeds yet, when it grows, it is the largest of garden plants and becomes a tree, so that the birds of the air come and perch in its branches. Haradali is a **seed** of freedom. Help to Plant it. Nurture it. Make it grow.”

Over  
**700+**  
graduates since 2010  
with 100% success stories

Haradali is a *Swahili* word for a Mustard Seed. The school was established in **2005** under a non Profit Organization called Haradali Development Trust (HDT) with only **17** pupils in a wooden 14sqm classroom. To date, the school has expanded to over **1000+** pupils in Primary school and over **370+** Students in secondary school. Like the parable in the bible where the Mustard seed grows into a big tree, the same to our school and thus the name.

To date the school has been top ranked among many other schools for its academic performance and excellent running in education provision, sports, childcare, moral support and operation as a facility.
